VDA - Persons Receiving Service without a Recent Nutritional Screening

From: 10/01/2004

VDA Training Agency

To: 01/25/2006

Note: This Report lists active persons for services mapped to NAPIS groups HDM, Congregate Meals, Case management, or CCEVP with at least one unit of service during the selected time period and do not have all the screening questions answered within the last year prior to the most recent service date found during the period. If a person has enough questions answered to put them in the high risk category, then they will be ignored for display on this report.
