(Revised)

COMMONWEALTH of VIRGINIA
Department for the Aging

MEMORANDUM

TO: Executive Directors
Area Agencies on Aging

FROM: Charlene Cole, No Wrong Door Coordinator

DATE: August 27, 2008

SUBJECT: No Wrong Door Tools 10 Day Period for the Notice of Intent to Award --
Correction to Period End Date

Please note that the 10 Day Period End Date for the Notice of Intent to Award has been corrected. The change is shown bold and underlined.

On August 21, 2008, VDA issued a **Notice of Intent to Award** the No Wrong Door Tools RFP contract to **PeerPlace Networks, LLC**.

NOTICE OF INTENT TO AWARD

August 21, 2008

Commodity Codes: 92014 and 92045

In Response to RFP#163-08-04, Virginia's No Wrong Door Tools Web-based System Solution of March 21, 2008.

Contractor: PeerPlace Networks, East Rochester, NY

The Notice of Intent to Award allows 10 days to post the intent of the Commonwealth to enter into contract. This is part of the Request for Procurement (RFP) process.

The waiting period began on Thursday, August 21st and ends **Tuesday, September 2, 2008 at 5:00 p.m.** After the waiting period the vendor contract can be signed.

Here is some information about PeerPlace Networks, LLC:

PeerPlace Networks, LLC is a software development company headquartered in East Rochester, New York whose focus is entirely on supporting the health and human services industry with a solution that provides dramatic efficiencies for care professionals.

PeerPlace® is a community-wide network enabling collaboration among professionals providing community based services. As a web-based client tracking system, it is designed to accommodate both direct and contracted service providers.

PeerPlace® is a web-based solution that offers health and human services agencies one integrated system with an easy to navigate workflow environment.

PeerPlace® software supports care professionals and their administrative staff by electronically managing workflow and information from the first point of contact through every encounter with their clients. All types of services are tracked including basic information requests to full case management functions that utilize multiple service providers across a community.

PeerPlace Networks, LLC prides itself on responding to the changing needs of all of their customers, whether they provide services in the aging or community action program arenas.
