

Adult Day Care FAQ's

1. What determines eligibility for this program?

A service specific assessment will be done utilizing the Full Uniform Assessment Instrument. Other admission and assessment procedures will be done in accordance with the Department of Social Services Standards and Regulations for Licensed Adult Day Care Centers.

2. Can a person receive personal care or home health and still attend day care?

Receiving one service does not preclude a client from receiving other services if needed. This, of course, depends on the availability of the service.

3. Is Medicaid or Medicare accepted for day care programs?

This would depend on the client's eligibility for these programs and, if a certified provider is available offering this service.

4. Can this service be used for my parent while I work?

Service may be provided for purchase of respite for family caregivers.

5. Where can I find a copy of the Department of Social Services Standards and Regulations?

A copy is available on the VDA Web Site.
