

Long-Term Care Policies

This list is given to you for informational purposes only and does not constitute an endorsement by the State Corporation Commission of any product or service or of any person or organization offering any product or service.

The companies listed below have had one or more individual long-term care policy forms approved for sale in Virginia on or after January 1, 1992, the effective date of 14 VAC 5-200-10 et seq., *Rules Governing Long-Term Care Insurance*. **The fact that a company has one or more approved forms does not necessarily mean the company is actively selling these products in Virginia.** You should contact the listed companies for verification of availability in Virginia. All of the information provided is subject to change. Please note the date of revision at the top of each page.

Any company that has only group long-term care policy and certificate forms approved for sale in Virginia or has issued a policy to an association (i.e., AARP) or to a group policyholder not located in Virginia may not appear on this list. Also, there may be other companies that offer long-term care insurance in this state. You can contact the Bureau of Insurance for further information at 1-877-310-6560 (Richmond residents dial 371-9691).

Companies with one or more *qualified long-term care policies* are designated with a "✓" in the column "Qualified Long-Term Care Policies". Premiums and/or benefits under Qualified Long-Term Care Policies may qualify for favorable tax treatment. Inquiries concerning the tax qualification of the product should be directed to the insurance company. See your personal tax advisor for information on how these changes could affect you.
