

# VDA Productivity Measure - Closing Codes

Begin QTR Date: 12/01/2009

End QTR Date: 02/28/2010

Agency / Provider: Top Level Agency/Your Agency

Note: This report displays all clients with at least 2 ADLs who received Productivity Measure services in the same quarter a year ago, but did not receive those services during the selected time period.

Clients in the dataset without Closing Codes are reported according to their Status as Active or Other (not Active).

The assessment used is the most recent on file, but does not have to be during the period of interest.
