The National Medicare Training Program is the official CMS source for consistent, accurate, and reliable Medicare training. Materials are designed in multiple formats for use by partners providing information, education, and assistance to people with Medicare. Visit [www.cms.hhs.gov/NationalMedicareTrainingProgram](http://www.cms.hhs.gov/NationalMedicareTrainingProgram) to find information on NMTP products and services, including those listed below. Check our online Training Library at [www.cms.hhs.gov/NationalMedicareTrainingProgram/TL/list.asp](http://www.cms.hhs.gov/NationalMedicareTrainingProgram/TL/list.asp) for the latest updates. Most products can be downloaded directly from our website.

**Audio-Conference Training:** Training series on *My Health. My Medicare.* featuring CMS policy experts who discuss topics of current interest and answer questions from the audience. Each session is recorded and archived along with the transcript and a corresponding PowerPoint presentation. Select [Audio-Conference Training](#) on our homepage.

**Annual Train-the-Trainer Workshops:** Face-to-face training events held in major cities across the country for partners who train others. Knowledge checks and exercises reinforce learning and keep sessions lively and interesting.

**Classroom Modules:** Slides and speaker notes designed for use by partners who share Medicare program information with their constituents, co-workers, and other partners.

## Medicare Prescription Drug Plan Finder

**Products:** Webinar, video, and training module demonstrating the Drug Plan Finder, including explanations of the Monthly Cost Estimator, a personalized chart illustrating 12 months of expected drug costs under each plan.

**Welcome to Medicare and other Videos:** Uses a story-telling approach to help people with Medicare learn how to use the various online tools available on [www.Medicare.gov](http://www.Medicare.gov).

**Resource Guide for Partners:** Comprehensive guide to help partners find useful Medicare references, including fact sheets, forms, mailings, and training materials. The Guide includes web links to the most recent versions.
