

3C's OF CHOOSING A CARE PROVIDER

COST

Several factors affect the cost of caregiving services, such as how much care is needed, the care provider's experience, and where you live. On average, home care aides cost \$18 per hour.

COMPETENCE

Do the skills of the care provider match the recipient's needed level of care?

COMPATIBILITY

Do the care provider and care recipient get along? They'll spend a lot of time together.
